Introduction

We have reviewed the accompanying Statement of Liquid Capital of **Aba Ali Habib Securities (Private) Limited** (the Company) as at December 31, 2021 and notes to the Statement of Liquid Capital as at December 31, 2021 (together 'the statement'). Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' which applies to review of historical financial information performed by the independent auditor of the Securities Broker. A review of historical financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying Statement is not prepared, in all material respects, in accordance with the Regulations.
